Together we nourish our city

## Liverpool's Sustainable Food Award

The Liverpool Sustainable Food Award lets customers know how great your food business is at being sustainable. This includes categories such as recycling, sourcing sustainable produce to working with your community and publicising your activities.

This award comes in 3 levels – bronze, silver and gold. Each level awarded shows the customer how many of the sustainable criteria you are doing i.e. if you have a bronze award it means you are doing any 2 of the criteria, silver is any 4 and if you have the gold award it means you are doing all 6 of the criteria and get an extra special “well done”! Show your customers how fab you are and apply for a sustainable food award today. Please complete this form and send it to [liverpoolscran@gmail.com](mailto:liverpoolscran@gmail.com) for us to process your level of award. When you achieve the award we will send you your certificate to display in your business as well as a sticker to display in your window to let people know you have achieved the award. Thanks for taking part in this LFC Award and helping to make Liverpool a more sustainable city.

**Please tick the relevant boxes**
